

Quarterly Educational/Social Events Sponsorships

Present - Educate - Network - Grow

STF presents various quarterly educational seminars that are open to the regional business community. Each event features a keynote speaker by our Platinum Sponsor and various break out sessions and presentations from supporting Gold Sponsors, business leaders and business support agencies on various topics, trends, business resources, innovations and other technology related topics of interest to the business community.

Attendees include business leaders, CIO's, technology professionals and entrepreneurs that are there specifically to learn about industry trends and offerings and are invested in making new business connections.

Platinum Sponsors \$700

Benefits included:

Your logo displayed on the STF website home page, event page and in various email announcements distributed to our members and partner databases. Our platinum sponsorship includes a keynote speaking opportunity to headline the event, special recognition as being a platinum sponsor and everything in the gold sponsorship (name recognition on all marketing and press material, ability to distribute your marketing collateral at the event, 5 tickets to the event and an opportunity to send an email offer to all registered attendees and STF members following the event).

Gold Sponsor \$275

Benefits included:

Your logo displayed on the STF website events page and in various email announcements distributed to our members and partner databases. Our gold sponsorship includes name recognition on all marketing and press materials and the ability to distribute your marketing collateral at the event. An option for an additional \$250 to send an email offer to all registered attendees and STF members following the event. 3 tickets to the event are also included in this sponsorship.
